Appendix A to Terms and Conditions regarding BIMobject® Cloud:

BIMobject Acceptable Use Policy

Your access to and use of BIMobject® Cloud including the Subscribed Services provided by BIMobject to Customer requires that you adhere to this Acceptable Use Policy:

1. You are solely responsible for ensuring that you do not use or allow the Subscribed Services to be used for any of the following purposes:

a. Gaining, or attempting to gain, unauthorized access to any system that does not belong to the Authorized User.

b. Altering, defacing, or otherwise causing any unauthorized or unapproved modification of any third party system, website, data or network.

c. Storing, transmitting, or processing material in a manner that violates intellectual property rights, other rights, laws or regulations, including, without limitation, those associated with trade secrets, copyrights, patents and trademarks.

d. Submitting, posting or otherwise making available any worms, viruses, or other harmful, disruptive, or destructive files, codes or programs.

e. Submitting, posting or otherwise making available information or material that you do not have the right to submit, post or transmit.

f. Violating the privacy rights of others, including, without limitation the collection, storing or transmission of information about individuals without their knowledge or consent, except as allowed by applicable laws and regulations.

g. Collecting, storing or transmitting any material that is unlawful, obscene, harassing, libelous, abusive, hateful, encourages unlawful acts, or may be interpreted as violating the civil rights of others.

h. Collecting, storing or transmitting material that violates local, state, federal, or international laws or regulations.

i. Interfering with or disrupting BIMobject Cloud or engaging in or permitting any activity that leads to a degradation or denial of service for the BIMobject Cloud or its Users.

2. You are independently responsible for adhering to all local, state, federal, and international laws and regulations relating to your use of BIMobject Cloud and data derived from BIMobject Cloud.

BIMobject reserves the right to audit, test, and investigate your use of and access to the BIMobject Cloud to measure compliance with the foregoing.
